THE ANNEX GROUP® RANKS ON AFFORDABLE HOUSING FINANCE'S LIST OF TOP 50 DEVELOPERS

INDIANAPOLIS (June 22, 2021) – [The Annex Group®](#), a leading workforce, affordable and student housing developer, announces today it has been named to [Affordable Housing Finance's](#) Top 50 Developers List. This list of the nation's top affordable housing developers is generated using the number of affordable housing project starts and completions from 2020.

The Annex Group ranks 42nd on the list, with construction on 356 affordable housing units started and 197 units completed in the last year. It is the company's first time on the coveted list.

"To be listed among the country's most successful affordable housing developers is humbling," said Kyle Bach, CEO of The Annex Group. "We've worked incredibly hard within the past couple of years to grow in affordable housing specifically because of the way these projects can transform communities. To produce units that offer a place to call home to people who are often struggling to find quality housing is so rewarding. We're honored to do the work, and proud of this achievement."

The AHF Top 50 Developer listing comes after a year of growth for The Annex Group. In March 2021, the company announced [\\$445 million worth of new development projects](#) including communities in Montana, Washington, Iowa, Kansas, Michigan, Indiana, Oregon, North Carolina, Kentucky and Nebraska.
